

## Canteen Arrangements 2020-2021 & Menus

In order to avoid long and congested queues at break time and lunch, as well as minimising handling of money, arrangements for the canteen have changed for this year. All food will now be on a pre-order system and paid **in advance**.

Students will be given an envelope each week (**Friday**) with 9 labels (5 x morning breaks + 4 x lunch breaks). Students will choose from the menu (below), what they wish to order (for the following week) and return the envelope (name and base class written on the front) with the filled out labels (see examples below) and appropriate monies sealed inside. The envelope is to be placed in their base class 'box' in their base room on Monday morning. This will be collected and food will be prepared according to the orders.

At break and lunch, trays with packs containing the pre-ordered food will be collected and delivered to each base room with the student's name. These will be given out and eaten in the base room. Waste and rubbish from the lunches must be placed in the designated bins **outside** the rooms.

All food must be eaten in the base rooms; the canteen will not be available as a sit down area.

### **Menu:**

#### Morning Breaks:

- ❖ Large chicken fillet roll - €2.00
- ❖ Small chicken fillet roll - €1.00

(choice of fillings – Mayonnaise, lettuce, butter, ketchup)
