**About Trend Micro's Internet Safety for Kids and Families Program (ISKF)** Today's youth are exploring the internet and new technologies now more than ever. That's why Trend Micro is passionate about promoting and encouraging its benefits, possibilities, and most importantly, its safe use. Since 2008, Trend Micro's global ISKF has reached almost 4.6 million parents, educators, and youth worldwide. ISKF; a global initiative funded by Trend Micro delivers free internet safety sessions to communities, reaching students, parents, and educators everywhere. The goal is simple: empower youth, parents, teachers, and older adults online, delivering educational programs where they're needed most. A robust series of online programmes including our kids Cyber Academy <https://www.trendmicro.com/internet-safety/>

**About Trend Micro** Founded in 1989, Trend Micro, a global cybersecurity leader, helps make the world safe for exchanging digital information. Fuelled by decades of security expertise, global threat research, and continuous innovation, our cybersecurity platform protects hundreds of thousands of organizations and millions of individuals across clouds, networks, devices, and endpoints. With more than 7,000 employees across 65 countries, Trend Micro enables organizations to simplify and secure their connected world. [TrendMicro.com](https://www.trendmicro.com)
